Great Pine Ridge Section

President's Role

The Section President is accountable for the strategies of the section, whether they be financial, membership, events, etc.

The President does the following tasks to fulfill their responsibilities:

- consult regularly with members of the GPR executive
- schedule and run GPR business meetings
- update members through CVMG News
- lead the planning of the section rides and events calendar
- participate in financial planning and give guidance
- engage with members in-person and through email and section reports
- listen to and act upon member concerns
- recommend initiatives for the section
- highlight and resolve GPR issues that require CVMG National Executive input

My experience in this position is that it takes up 5 to 10 hours per month.
